

24 November 2017

Dear Parents,

As part of our aim to improve maths fluency and raise the profile of maths, your child is going to be using Mathletics for a two-week trial, to see what we all think about it.

Mathletics is a targeted, rewarding and captivating online learning resource, which is aligned to curriculum standards. Your child has a two-week take-home access to Mathletics – they simply sign in with their school username and password using any compatible computer or mobile device.

**MATHLETICS WILL GO LIVE ON THE MORNING OF MONDAY 27<sup>th</sup> SO YOU CAN EVEN PRACTISE BEFORE SCHOOL ON MONDAY!**

The extra Mathletics practice at home can make a huge difference to your child's progress. But better than that, it's fun and encourages them to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year – which we will hand out in assemblies. Go for gold! Best of all, children can challenge each other, earn points to create their avatars AND earn points which Mathletics will donate to UNICEF!

**If your child can't access the internet at home, Miss Mount will be having Mathletics lunch sessions on Monday, Tuesday, Thursday and Friday lunchtimes for the trial period.**

Once the two-week trial is up, we will ask parents and children what they thought, before deciding if we take out a subscription. If you have any questions in the meantime, please don't hesitate to contact me!

▶ Sign up for FREE progress updates in 3 easy steps:

- 1 Visit [www.mathletics.com/parent](http://www.mathletics.com/parent)
- 2 Complete the form and click "Submit"
- 3 Look out for a weekly progress email in your inbox at the beginning of each week.

**PC & Mac**  
Simply visit [www.mathletics.com](http://www.mathletics.com) and click

**SIGN IN HERE**

**Tablet & Mobile**  
Sign in through your device's browser at [www.mathletics.com](http://www.mathletics.com) or download the Student App for offline use.

Yours sincerely,

**Sophie Mount**
