KS1 SATs

Well done to all of the Year 2 children who have shown great resilience in completing their KS1 assessments. Also, well done to the rest of the school for completing their end of year assessments. There are lots of fun events planned for the second half of the summer term – so let the fun commence!

Sports Day

Please keep your fingers crossed for good weather on Friday 8th June as we have our Sports Day. Friends will be serving hot breakfast baps from 9.15am and the children will start competing at 10am. Once again, Widecombe Pre-school will be joining us for a joint sports day. Upon completion of all races, you are invited to join us for a picnic lunch on the field.

Sunscreen & Hats

Summer has arrived and this week the weather has been extremely hot! When we do have particularly hot days please ensure that your child has an adequate application of suncream applied before coming to school, plus a sunhat and a water bottle.

After School Clubs

The current clubs will continue to run after half term and we are very grateful to Chris and Yvette who have kindly offered to run a Practical Skills Club on a Wednesday afternoon after half term. This will be open to all year groups, but numbers are limited. A different weekly activity will take place, including map skills, sewing, knots, basic food preparation, simple woodwork and journey planning.

Please complete the slip attached if your child would like to take part and return it as soon as possible after half term.

School Dinners

We are sending home copies of the new menu for your information. This will start straight after half term, so please go onto ParentPay and make your child's choices before they come back to school. You will notice that there is no longer a school packed lunch option, but this may be available in the future for children going on school trips. We hope you and your children will enjoy the new choices available.

Dartmoor 3-Ball Tournament

If your child has expressed an interest in taking part in this tournament after school on Thursday 7th June, you will receive a letter today.

**My Week by ...
Hope & Delphi**

Book club was really fun on Monday. The book club was started by me (Hope), Fern and Chloe and it's on Monday lunchtimes. Last Monday there were about 7 people at the club and we discuss books, read books and talk about lots of other things to do with books. For the next couple of weeks we are going to focus on a book called "The Rain Forest".
