

Dear Upper Dart Parents,

In preparation for our gingerbread making next week, we would like the children to bring in two baking trays and a rolling pin. We will need these for Monday, please label them as best as you can.

The children have designed their own houses and are now ready to begin baking! Friends of Widecombe School have kindly agreed to provide the ingredients for the gingerbread. However, can you please supply the sweets to decorate the house, such as, smarties, jelly beans, chocolate fingers etc. The children will need these for the following Monday (10<sup>th</sup> December).

Many thanks,

Mrs Reynolds and Ella
