## Tag Rugby

Widcombe took two teams to the tag rugby tournament and an enthusiastic bunch of adult supporters!

We entered both of our teams into their respective 'Friendly' tournaments. The Year 3 & 4 team were just getting in to the swing of things as the tournament ended. Mrs Mount said that they were on a winning streak. The Year 5 and 6 team started their tournament with

a winning streak and won their first 5 games only to be beaten in the final.

I am so proud of our teams, they played in exactly the right spirit and did the basics well. Good effort!

## Annie

Upper Dart had a wonderful day at SDCC on

Tuesday attending workshops and watching the Annie production. The whole day was lots of fun and I'm especially proud of one

of our Year 6 boys who was the only person brave enough to do a small solo performance. I hope that the day has inspired them, as everything about the production was excellent.

## Family Lunch

It was so lovely to have so many families join us for lunch on Wednesday. I think all of the staff managed to commandeer a baby or two during the lunch!

A big thank you to Mandy for managing the lunch and providing us with a tasty roast. The next family lunch will be in the Spring Term.

## Pre-School Visit

It was lovely to have Pre-School join us for the morning this week. They happily came into Webburn and joined in with all the activities under the watchful eye of Jo and Lauren. They particularly enjoyed the activities in the outside area; fishing, farming, playing in the den and 'cooking' in the kitchen. We shared snack together and then the Pre-School children explored the school at playtime. It was great to see all ages playing together, the older children took it upon themselves to show the Pre-School children all around the school including their classrooms. It was a real treat to watch them all interact. We look forward to seeing them return next month for some Christmas themed activities.

## ParentPay

Please could everyone ensure that hot dinners have been ordered online and paid for via ParentPay. A reminder that, if meals have not been ordered via the online menus, your child will only be offered either the main or vegetarian option. We need to have your meal choices even if your child receives free school meals or is in Reception, Year 1 & 2 where meals are also free. Thank you.

## Friends' News

### WIDECOMBE HAS GOT TALENT

Please can you help us to advertise our event by placing the small poster which has come home with your children into your local shop, pub or newsagents. Remember if you have a talented person in your family it would be great to encourage them along to join in, it's for all ages so do not be shy. Audience seats are free so come along and have some fun, a glass of mulled wine and a pasty.

The money which we are trying to raise is to turn the upstairs classrooms into a lovely calm sensory area for our children to have special quiet learning experience. Having met with Lu this morning we have arranged to start the redecoration as soon as we can after Christmas, please let us know if you can come and help with a paint brush at any time, many hands make light work.

Many thanks for your support.
