

**Upper Dart Homework 28/4/17**

On our archaeological trip to Yarner woods we helped to dig out the remains of a farm stead. For your Homework can you draw a representation of what this farm stead may have looked like when intact. Please include some of our findings in your drawing and label them or describe them (for example clay pipes, Lime render walls, bread oven, fire places, pottery, flint etc).

Bear in mind all the information we were told by the historian about how they may have lived for example where they may have slept.

You can do this with a bird's eye view or draw it from the front with an invisible wall so we can see inside.

**Due in on Thursday 4<sup>th</sup> May 2017**
