## Primary Body Language 2017 DVD order form

Dear Parents/Carers,

I hope you enjoyed the show! Primary Body Language is always a wonderful event that celebrates weeks of hard work creating a dance, producing artwork and learning a song. With schools under increasing pressures for academic results I am always so thankful of the huge commitment from the primary staff to make this event such an important part of the calendar. It is great to see how much they value of the PBL experience and see their pupils grow in confidence leading up to the event.

If you or your child would like to keep a memento of their experience to look back on or show other family and friends what they have achieved then there is a professional DVD of the show. Geoff Garretley from eye2eye productions filmed the shows and edits the DVD. The DVDs are £10. **Order deadline is Tuesday 14<sup>th</sup> March.** If you wish to order one please log onto your school ParentPay account to make your payment and then return the below slip to your school. The DVDs will be delivered to your schools before the Easter holiday.

Yours sincerely,

Becky Mason  
School Sport Coordinitor, South Dartmoor Community College.
