

## Whole School Homework

On Friday 23<sup>rd</sup> June we are having an Art Day, local artist Amanda Sabin will be in school doing a Printmakers Workshop. Please could you complete the following homework for next Friday:

On Art Day, you will be printing one animal, in order to draw this animal fluently you will need to practise it. You could google 'How to draw a \_\_\_\_\_' as there are many step-by-step instructions or videos you can follow. You will only be required to draw one animal so the more practice you have the better your drawing will be.
