

14 January 2019

Dear Parents

GIRLS ACTIVE – TUESDAY 22nd JANUARY AT SDCC

As part of the Girls Active project, all girls from Years 2-6 have been invited to a Martial Arts event called Stepping Up for Change on Tuesday 22nd January at South Dartmoor Community College.

Girls Active is an initiative being run across our Academy to promote girls' confidence, self esteem and engagement in sport. Each primary school and SDCC have girls active leaders who are trained by youth sport leaders and go on to run sessions within school each week, mentoring and inspiring other girls to be active.

Children will be going to South Dartmoor after morning registration and will be back in time for lunch. They will need to wear their PE kit and will need leggings/joggers and a school jumper, water bottle and snack. They will travel by mini bus and staff cars.

Please sign the consent form below and return to school as soon as possible.

Des Stokes

I give permission for to attend the Girls Active event on Tuesday 22nd January
