

LOWER DART HOMEWORK PASSPORT

<p>Read a book about Rainforest (e.g. Blooming Rainforests) write out an amazing fact you learned and draw a picture to go with it.</p>	<p>Create a Rainforest poem. Write it out in your best handwriting and if possible, illustrate the poem.</p>	<p>Create your own Rainforest word-search or crossword.</p>	<p>Create your own rainforest animal (model or picture) (real or imaginary) and write as many facts as you can about it.</p>
<p>Create your own Rainforest board game.</p>	<p>101 rainforest facts (well write at least ten!)</p>	<p>Write a story: 'The Rainforest adventure'</p>	
<p>Create your own Rainforest board game.</p>	<p>101 rainforest facts (well write at least ten!)</p>	<p>Compose your own rainforest song.</p>	<p>Design and make a mini rainforest. And / or Design and make a canoe or raft that you could travel up the Amazon River on.</p>

Maths Challenges: 1) Make your own paper plate clock and practise telling the time with your family. 2) Play ANY board game with your family and write in your HW book what you played and which maths skills you used. 3 Do one of the **ABACUS** challenges (more info to follow) 4) Play 'Buy one get three free' (times tables) with your family. 5) Find a recipe you like and cook/make it with your family. What maths skills have you used? **HIGHLIGHT THE TASKS YOU HAVE DONE!** For all of the challenges use your homework book to show / draw / put a photo in of what you have done!

LOWER DART HOMEWORK PASSPORT

Dear Mums, Dads, Carers and Lower Dart Children.

I hope you like this homework passport, which will run for the whole term. It is aimed to give you lots of options for interesting things to do together and the children have had a hand in choosing the tasks. You can pick and choose which ones you do, **IN ANY ORDER, PROVIDING THAT:**

- 1) You do **at least ONE item each week**
- 2) **IF YOU DO MATHS ONE WEEK, DO A NON-MATHS THE NEXT.**
- 3) Please **hand in** what you have done on **Wednesday EVERY week**, so we can get it back out to you for Fridays.

You can do as many as you like - all of them if you want to! (Rewards aplenty for anyone who does excellent work and/or more than the minimum.)

NB: you should also be reading together every day for at least 10 mins! Please remember to bring your reading record in every day and put it in the box! Thanks! *Sophie.*

Buy one get THREE Free! You will need 2 dice.

- 1) choose a times table to practise (up to 12×12)
- 2) roll the dice - e.g 3 and 4.
- 3) add them together ($3+4=7$)
- 4) **NOW** do $7 \times$ your chosen times table. E.g. if you chose 3 times table: $3 \times 7 = 21$.
- 5) now you get the FREE facts: $7 \times 3 = 21$, $21 \div 3 = 7$ and $21 \div 7 = 3$. Write these out. Practise for as long as you can and for as many times tables as you can. Hint: write out the answers first to help you practise!
