

Dear Upper Dart Parents,

The children have made their gingerbread houses and will start assembling and decorating them on Monday!

As well as sending your children in with sweets and biscuits to decorate their houses, can I also ask you to supply a base for the gingerbread to be constructed on. A cake board would be ideal or even a piece of sturdy cardboard covered in foil.

We are happy for the children to bring in anything else they feel they need to decorate their houses e.g. piping bags.

Many thanks,

Mrs Reynolds and Ella
