

Home learning

18<sup>th</sup> November 2016

Another busy week. They are doing brilliantly despite the germs going around. This week we have begun work on the Christmas story (sorry). The children have lots of lyrics to learn. We have decided to sing: Little Donkey, Away in a Manger, While shepherds watch their flocks by night and We three Kings of Orient are. We will send home the words to support them and if you could help practice that would be appreciated. We do have choir singing with us but it would be great if we joined in as well. We have some costumes but we will be sending letters home to see what you can help out with. Watch this space. This years performance is a scaled down very simple retell of the nativity. Remember to book the 20<sup>th</sup> December into your diaries to come and watch. I'm sure it will still have the aaaaahhhh factor and will get you in the Christmas spirit.

More gardening has taken place this week. Pop in and see our garden area. We have yet to add the guttering, fountain and magic tap. Be prepared to be amazed!

Literacy we have continued to write lists and captions. I have seen some super writing this week. Well done all. They are experts at writing shopping lists so if your cupboards are bare you know who to ask for help.

Maths we have been finding pairs of numbers to make 10 using practical apparatus.

We had fun this week in PE learning how to do egg, log and forward rolls and making little routines to show others. Ask your gymnast to put on a little show for you.
