

'Laps for Laptops' at Widecome Primary school.

On **Friday June 15th**, as it's National Bike week, Ceri and the Friends are running a cycling challenge for all children, to help raise money to buy new Laptops for the school.

Starting at 9.30am groups of 5-10 children at a time will go out onto the playground (Webburn and Year 2 & 3) or the field (Year 4, 5 & 6).

Children will be timed for 10-20 minutes to see how many laps they can do in a set time and raise money through sponsorship or donations.

It's only next week, so please use the attached form and get asking friends and family to donate!

After the Fathers' Day assembly on the Friday afternoon Friends will also be serving cream teas and we will have a 'Cycle themed' raffle (we have some jerseys, T- shirts and a helmet!)

Please return the following slip ASAP and get badgering everyone you know for sponsorship.

ALL CHILDREN MUST HAVE HELMETS

Name	I will bring my bike/scooter	I am happy to share my bike/scooter
