**TO PARENTS OF CHILDREN IN UPPER DART**

Dear Parents

Children in Upper Dart have been invited to visit Gail & Miles Fursdon at Old Walls Farm, Ponsworthy on Thursday 2<sup>nd</sup> February. Here they will have a guided walk around the farm and hydro plant and a talk about the micro-hydro system which turns the power of falling water into electrical energy.

The children will be driven to the farm by mini-bus and staff cars. They will be leaving straight after registration, so please make sure your child arrives at school promptly. They will be back in time for lunch, but please can they bring a snack and drink with them. Please make sure your child wears warm clothes appropriate for the weather and brings a pair of wellies with them.

Thank you.

Des Stokes
