Widecombe Fair

Well done to everyone who made this year's Widecombe Fair so memorable. Special congratulations to Francis for completing his 20 mile bike ride and raising such an amazing amount of money in memory of his Dad.

All the children's artwork in the tent looked fantastic, please see overleaf for some photos and for a list of winners. Lots of our pupils took part in the children's races and did really well in the sheep young handlers in the main ring and also in the riding classes.

**My Week by ...
Isabelle & Daisy**

On Widecombe Fair day we did the maypole. The double plait, spider's web and barber's pole were really good. Parents did the barber's pole and did quite well. The barber's pole is more like a skipping marathon and wears you out! Everyone who did maypole, except grown ups, got an ice cream afterwards. After that we went off and chilled out with our friends. In the school field there were some llamas making weird noises. The horse show was good, Lily got a trophy for best ridden.

I (Isabelle) got first prize for my tile in the 3D artwork and Daisy got first for her castle. The sheep shearing was good and the ferret racing was amazing. There were some really nice ducks and we volunteered to help with them. There was Morris dancing on the road and also a Morris dancing dog!

At school they did cream teas and they were such good cream teas. We helped hand out posters to advertise them. It was one of the best days ever.
