

20 November 2015

Dear Parents

Over the past few years we have run an annual contribution system which has considerably helped the school with payments towards trips, visiting theatre groups, workshops, ingredients, art materials and help towards the running of after school clubs.

We ask for a voluntary annual contribution of £20 per child. For families with 3 or more children at the school we ask for a suggested contribution of £15 per child. A payment option will be set up on ParentPay for you, this will not be for a fixed amount, so there is flexibility to pay whatever you feel would be appropriate.

If your child has free school meals and the school therefore receives Pupil Premium funding, we will not ask for any contributions to be made.

Thank you for your co-operation.

Des Stokes

20 November 2015

Dear Parents

Over the past few years we have run an annual contribution system which has considerably simplified the collection of money for trips, visitors, workshops, ingredients, art materials and help towards the running of after school clubs. Feedback we have received during this time has been very positive and constructive.

We ask for an annual contribution of £20 per child, for families with more children, this could be paid over three terms. For those parents who have already paid contributions in the past, any remaining monies are carried forward and we ask that this payment is topped up to £20 per child again. You will see below any remaining balance and the amount that will be payable.

Please make cheques payable to **South Dartmoor Academy**.

Thank you for your co-operation.

20 November 2015

Dear Parents

Over the past few years we have run an annual contribution system which has considerably simplified the collection of money for trips, visitors, workshops, ingredients, art materials and help towards the running of after school clubs. Feedback we have received during this time has been very positive and constructive.

We ask for an annual contribution of £20 per child, for families with more children, this could be paid over three terms. For those parents who have already paid contributions in the past, any remaining monies are carried forward and we ask that this payment is topped up to £20 per child again. You will see below any remaining balance and the amount that will be payable.

Please make cheques payable to **South Dartmoor Academy**.

Thank you for your co-operation.
